Birth Notes: Dallas, Texas, USA

Born contained by Dallas, Texas during what be, according to quite a few local, the best intense August in recent remembrance, Darius

Holbert was born red-hot. Now, after stoke the bonfire of Southern California, Darius find himself poised to burst onto the cultivated scene approaching a hall afire. His practise cotton win him accolade from clients and audience alike, his songwriting has won him hero worship from high-ranking profile peers, and his performing has won him reverence from unmarked fan right to be heard the planet. Darius Holbert develop in the air in a enjoyable family connections. His mother be a master's area music educationalist and his father is a office lead singer and librettist. Darius' individual musical homework inaugurate shortly after he started walking. His burgeoning feeling and assurance all for composition, grand piano, and voice was in a jiffy alleged and nurture for the period of his hasty stage. In 1987, Darius was select to be a singer in the Texas Boy Choir. He was send to the choir's board arts school and in a minute become a feature soloist in the choir, even arrange for the choir and direct a elfin choir ensemble. He was fixed singular 12. His skill gain him a boil in the prestigious Touring Choir and in 1988 tied their expedition of Australia. Upon returning to the U.S., Darius was permitted to the Booker T. Washington High School for the Visual and Performing Arts in Dallas, directed by the cross of piano employ, M.I.D.I. programming (still in its childhood beside vehicle of a curriculum), and composition/arranging. His imagination spill ended into the other art; he joined the Visual Art department in printmaking and sculpt added to as acting and singing in thespian performance at the high school and other expanse theaters. Darius started playing in area granite outfits by this incident, his grand piano playing taking him through Texas honky-tonks and beer joint even then again he still wasn't mature plentiful to drive. He play around Dallas for 3 years, making a given name for himself as a meeting artist while study at the performing arts high school. In 1994, Darius moved to London to become skilled at at the University College of London and at the Royal Academy of Music. He studied composition, long-ago and jazz arranging in London, playing with local musician and wrangling opportunity to sway with international greats like Roy Hargrove (another Booker T. alum) and Stevie Wonder. Darius return to the States with a grant to end segment his degree at the music school at the University of North Texas. He studied composition with reputed composer Dr. Martin Mailman and piano with Dr. Mailman's wife, esteemed pianist MaryNan Mailman. He graduate from UNT summa cum laude in 1997. Darius stay in Texas for the subsequent 7 years, playing in a immensity of project, compatible in studios all around the area, and front a touring rock belt, Dr. Teeth, which enjoy determined regional success. He completed his most basic solo record, "Open Letter" (82music, 2001) and made a dense name for himself letters and playing music all around the south. In 2001, Darius was commissioned to arrange an opus feature libretto by his father, Dr. John Holbert Ph.D. He

jammed up and moved out to a mountaintop haven in northern New Mexico for encouragement. He as a consequence go for a time insane by himself in the mountain, writing by daytime and combat bat by darkness. At the behest of his sister he come fluff from the mountain six weeks following and moved pokerfaced to Los Angeles. Within the first few months of alive in L.A., Darius was playing in numerous local projects, compose for box and motion image, set-up music libraries for placement guests, working at the uttermost studios around town as a session player, creator, come by, and songwriter. Darius has score a digit of international features and great shorts. He's have his work in swipe TV show like Lost and Grey's Anatomy, and in myriad commercial and industrials. Darius has produced for, tour with, and documented for artist as diverse as the Wu-Tang Clan, Sophie B. Hawkins, Bobby Brown (oh, the stories), and Vinx. He has musical directed a digit of be a resident of touring outfits, most eminently the Mean Red Music soul/rocktronica band ScientificLifestyle. He also has a conquering solo side-project billed as dariustx. All of these experimental projects bring in Darius' publish catalog fairly comprehensive, from which a number of songs have be placed in film and tv. This is where on earth we find him today: composing, arranging, playing, produce, burgeoning artists, music directing, and amorous southern California. He has a great hang over studio and is an revered, skilled multi-instrumentalist and vocalist. But beyond anything else, he's really of behind a down to globe guy from Texas who works really not easy, who hate bragging in the locale of himself (he swears), and who love his opportunity. Darius is a associate of ASCAP and AFTRA and live in Los Angeles.
